

This entry is for USA Athletes ONLY who intend to enter the IJF Cadet and IJF Junior Categories

These categories are an official IJF event and will be conducted strictly by IJF Rules including the registration, draw, weigh-in, method of competition, and judogi regulations.

USA athletes should submit the entry form on the 3rd page following this one, along with the appropriate entry fee and other documents as listed in the checklist elsewhere in this package.

Judogi regulations and backpatch for these categories are different from the other categories in this event and are listed on the next page.

After the deadline further registrations (late entries, replacements) are exclusively handled during accreditation according to the following rules:

Method of Competition

The competition will be conducted in accordance with the latest IJF SOR and IJF Refereeing Rules.

Competition systems according to number of participants:

- 6 and more entries: Double repechage
- 3,4,5 entries: Round robin
- 2 entries: better of 2 fights, if 1-1 the third match will decide

In order for an athlete to obtain points for the IJF Junior Ranking List, her/his weight category should have participants from at least 2 different countries. If this is not the case, the competition can still be held, according to the organizer's decision.

If, by the nominal deadline, there is only one country inscribed in any weight category, the organizer is obliged to inform immediately the National Federation concerned.

Draw

The draw will take place on **Thursday at 18:00hrs**.

The top eight (8) from the entered competitors in each weight category will be seeded according to the current IJF Juniors World Ranking List.

Weigh-in

The official weigh in of athletes is scheduled the day before the competition at 19:00-19:30. Unofficial weigh in will be 18:30-19:00

Athletes must present accreditation card and his/her passport (National ID Card showing nationality and date of birth are also accepted).

Random weight checks of 4 (four) athletes per weight category (except for the + categories) with the same rules as the official weigh-in can be organized before the first fights in the morning of the competition. The athletes present their accreditation card. The weight of the athlete cannot be more than 5% higher (without judogi) than the official maximum weight limit of the category.

Judogi Control

All Judokas must compete in IJF Approved Judogi (only red label allowed) and Judogis from all IJF suppliers are allowed (see www.ijf.org → Official Supplier List).

Judogi Control

It will be operated with a Sokuteiki prior to the fight. Judogi must have an IJF Official Label "APPROVED JUDOGI" with an optical code, which cannot be falsified. The label will be controlled with an optical lamp. Each of the competition clothing articles (jacket, trousers and belt) must have an IJF official label.

Backnumber

Each competitor taking part in the US Open is obliged to have sewn on the back of his Judogi the official backnumber (IJF only are allowed) bearing his surname and his National Olympic Committee abbreviation. The backnumber can be ordered from www.mybacknumber.com or www.ijfbacknumber.com (Attention: production and delivery may take around 4 weeks). The SPONSOR part (if needed) will be given to the head of delegation during registration, and the athletes can stick it themselves using the special glue on the backnumber.

Markings and Advertising

The space on the **shoulder stripes** (25cm x 5 cm on both right and left side) and on the **upper arms** (10cm x 10cm on both right and left side) can be either used for own sponsors of the Federation or Judoka, **BUT not for any other Judogi supplier**.

The space on the **right chest** (5cm x 10cm) can be used by the Judoka for his/her own sponsor. The logo of a Judogi brand can only be used, if it corresponds with the brand of the Judogi itself. Further, no logo of a competing brand of the advertising reserved for the Federation can be used (unless approval granted by the Federation).

Continued on next page

Markings and Advertising (continued)

Please note: On all advertising spaces it is strictly prohibited to promote tobacco, alcohol, any substances listed in the doping code, or any product or service contrary to public morals.

The space on the **left chest** (10cm x 10cm) can be used for the national colors or the national emblem corresponding with the IOC code on the backnumber (regional emblems are not allowed). All other markings on the Judogi, like Judogi brand logos, name of Judoka, etc. have to comply with the IJF Judogi Rules.

Detailed information is available on www.ijf.org.

Important:

1. If an athlete does not respect the Judogi rules, the athlete will not be permitted to pass the Judogi Control, and the coach who is responsible for the athlete will be suspended for the rest of the competition day.
2. The organizer is not obliged to provide reserve Judogi at Judogi Control, but the athlete is allowed to present himself in another IJF Approved Judogi, complying with the Sokuteiki rule (and without backnumber) - in this case no coach can go with this athlete to the mat!
3. In the case of a repeated offence the coach will be suspended for the rest of the competition.
